### DETAILED ACTION

1. An Amendment was filed 11/20/03 in which Claims 1-35 were cancelled, and Claims 36-55 added. A Substitute Spec, including an amended Abstract, was also filed on that date, is approved, and will be entered into the file.

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

**Claims 36, 39 and 40** are rejected under 35 U.S.C. 102(b) as being anticipated by Belil Creixell 4951791.

Belil Creixell discloses a frame assembly (unidentified) for a two-wheeled vehicle comprising

Movable and replaceable front wheel fork (unidentified in fig 1),

Main frame (inherent),

Chainstays 1 (col 4, lines 53-55), and,

Parallelogram-shaped suspension assembly (any of figs 2-16, 21, 22) with adjustable spring stiffness.

3. ALLOWABLE SUBJECT MATTER

a. **Claims 37, 38 and 41-49** would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112 set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

b. **Claims 50-55 are allowable.**

Prior art does not disclose a two-wheeled vehicle comprising, *inter alia*, a suspension assembly in the form of a parallelogram including  
two bars of substantially equal length, the bars attached to the vehicle via a wheelholder,  
a spring device connected at least to the wheelholder, and which extends downward  
toward the rear axle, and,  
a power transmission device including two cogwheels.

4. RESPONSE TO REMARKS: Moot in light of new art rejections.

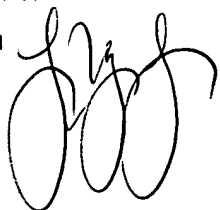

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
